

unicorn DOOR LIGHT

Add a touch of magic to your home decor with this unique motion sensor unicorn door light

- ▶ Place on doors to light up dark doorways at night.
- ▶ Lights up automatically when it detects motion or is touched.
- ▶ Ideal as a bedlight for children.

Unicorn lights up when it is touched or senses motion.

Light will turn off automatically after approximately 20 seconds.

The horn can be used as a hook to hang keys and other small items.

※ Max weight capacity approx. 80g

Hook hole and magnets allows unicorn light to be placed on various surfaces.
